◀ Fishing Fantasy Come True

You, your buddies, gourmet food, Cuban cigars and plenty of fish to be caught. No, it's not a dream. It's the Guys Ultimate Fishing Getaway, offered by Ocean Explorer Sportfishing. You stay on a 110-foot luxury boat with nine private staterooms, lounge, state-of-the-art galley and hot tub as you travel along British Columbia's rugged coastline. Fully rigged skiffs take you directly to secret spots for reeling in chinook salmon, king-size halibut, dungeness crab, lingcod or red snapper. Here's the best part: The crew guarantees your catch or your next trip is free. Can't beat that deal. Kayaks also are provided for exploring nearby inlets and bays; watching wildlife such as bald eagles, whales, dolphins and sea lions; or just plain ol' enjoying the beauty of towering mountains and pristine water. The three-night package is available through September. Price is \$2,929 per person, including roundtrip airfare from Vancouver International Airport, single stateroom accommodations, meals, cigars, guides, fishing gear and bait.
